As the Apaches of Pease Middle School blast off into the 1980's, we hope that this memory book will help us to hold on to what we have experienced. As the staff of this book we have sought to incorporate all happenings and events from our memories of this very special year. We have worked earnestly and have diligently sought to include all areas of our school and its activities.

The *Apache* staff would like to express our special thanks to Mrs. Yvonne Katz, Mr. C. J. Lampman, Mr. Sid Willis, Ms. Pat Dubel, and Mr. Paul Feola for serving as our photographers. Thanks also to the many teachers who supported our efforts and to our representative Mr. Jim Anderson for his help and understanding.
